2025

MEET THE CHEFS

SAMMY AND BELLA

WE ARE HERE TO HELP MEET YOUR BUDGET NEEDS

YES, we can be flexible, and we are understanding of some changing catering needs at ANU in 2025. We can work together to create event success on a budget.

We have created some BUDGET FRIENDLY options, and we hope this helps you achieve your organisational goals this year, and meet “government value for money procurement” requirements.

Affordable doesn't have to mean boring, plain, carb heavy (and brain fog inducing) sandwiches! Instead, keep minds bright and taste buds alight with our high protein menus with loads of fresh ingredients.

Drinks packages are quoted additionally based on your needs and the facilities available on site at every unique location. We still offer full service options so if you're after hot meals, staff/service, cocktail parties etc we are here to continue our full service catering also.

Please get in touch to book your next event!
